HSC BIEAP	Physics, Chemistry, & Mathematics	Sri Chaitanya College	2023	9.2
SSC	-	Ravindra Bharati School	2021	10.0

WORK EXPERIENCE

- **Web Developer** [Association of Computer Intellects] Oct 2024
 - **Acting Board Member** of my college's **technical club** for **Web Development**, contributing to various initiatives and projects.
 - **Organized engaging events** to foster learning and collaboration among students in the field of web development and technology.
 - **Designed posters and promotional materials** to enhance outreach and participation in club activities.
 - **Developed and maintained the club's website** using **React.js**, ensuring a dynamic and interactive online presence.

PROJECTS

- **Technical Club Website Development** Jan-Feb 2025
 - **Developed a website** for my college's **technical club** using **React.js** to enhance the club's online presence and engagement.
 - Incorporated **Lottie animation files** to create visually appealing and interactive UI elements, improving user experience.
 - Designed and implemented a **responsive interface** with modern web development practices, ensuring accessibility across different devices.
- **Shopping Website** [E-Commerce] Dec 2024
 - **Developing a shopping website** using **React.js** for the frontend and **Spring Boot** for the backend, with **Firestore Authentication** for secure user login and management.
 - Implementing features such as **product listings, user authentication, and cart management**, ensuring a seamless user experience.
 - The project is currently **under development**, with a focus on scalability, performance optimization, and modern web technologies.

POSITIONS OF RESPONSIBILITY

- **Git & GitHub Workshop Organizer** Feb 2025
 - **Organized a workshop on Git and GitHub** for **50 students**, covering version control fundamentals, repository management, and open-source contributions.
 - **Led a team** in planning and executing the workshop, ensuring a **structured learning experience** with hands-on exercises and real-world applications.
 - Assisted participants in setting up repositories, understanding branching strategies, and collaborating on projects using GitHub.

EXTRA-CURRICULAR ACHIEVEMENTS/ACTIVITIES

- **Secured 2nd position** in a **DSA competition** organized by the **Google Developers Club** of my college, demonstrating strong problem-solving and algorithmic skills.

TECHNICAL SKILLS

- **Languages:** Java, Javascript, Python, C, C++, Dart, MySQL, PostgreSQL, MongoDB
- **Tools:** Jupiter Notebook, VS Code, GitHub, VMware, Postman, Canva, Figma(Beginner), Jitter(Beginner)
